DAIWA SALTIST BRAID SPECIAL RODS

Truly special in their appearance and finish these Saltist rods are absolutely dedicated to braid. Standing out from their ocean blue look is the unmistakable shine of Fujialconite braid guides. With up to 12 eyes throughout the displaced down force will let even the finest braids travel with complete smoothness.

DAIWA KENZAKI BRAID SPECIAL BOAT

Our design team employed the vast boat fishing experience of our consultant Steve Souter and created the Kenzaki range rod by rod. Designed around two or three equal sections each action has been created for braid.

- Premium carbon blanks using MM35M carbon
- Sensitive tip action for improved bite detection
- Zirconium ceramic guides throughout for use with braided lines
- Specially designed Duplon fore grip for maximum leverage and comfort
- Fuji fixed reel seat with Aluminium hoods

NOW AVAILABLE IN 2 OR 3 SECTIONS

Buy the rod on its own or add an Okuma Magnetix Reel (Worth £99.99) **for an Extra £40**

DAIWA SEAHUNTER X BOAT RODS

The Sea Hunters offer built in sporting tips to accommodate regularly used braid mainlines. Mesh layered carbon blanks deliver a combination of lightness and power. Spigot jointed butts shorten the package length and the centred reel seat position makes for easier winding when the rod is loaded.

ROVEX INTEGRA GOLD KAYAK RODS

Specially designed for Kayak fishing these two rods give the best entertainment value on the ocean! Their short length means that you feel every twist and turn of the fish. The integrated solid glass clear tips absorb sharp lunges while the rest of the rod has plenty of backbone to bring larger fish to the boat.
